OUR STORY

Behind every Chaparral is a story of family, tradition, and one-of-a-kind craftsmanship. After starting in Ft.Lauderdale, Florida, Chaparral made the move to Nashville, Georgia and established a brand that achieved international acclaim.

Today, our global operations still stem from that same Georgia location where we proudly employ more than 900 members of the Chaparral Team, including many second and third generation boat builders who are as passionate about boating as you are.
